## SuperGreen Solutions Premium Tesla Energy Powerwall Packages

SuperGreen Solutions solar storage systems offer superior style and functionality allowing you to generate and store your solar electricity for use day and night.

We combine world leading solar panel and inverter technology with 360Storage systems featuring the Powerwall Tesla Home Battery.

Let us design your powerstation. It's worth it!

### Optimise self-use of your solar. Shift peak energy use from grid to your home batteries. Maximise your savings.

#### Intelligent Energy Management

Prioritises your solar or stored solar energy before the grid.

#### Premium Li-ion energy storage technology

Long life, expandable, attractive home energy storage.

#### Tier 1 Solar Modules

Solar panels are the engine of your Solar Storage System and you need the best performance to maximise your returns.

#### Flexibility

Choice of inverter type and size.  
Hybrid ready option - Solar today, batteries tomorrow.

#### Inverter Options

**SMA:** Perfect for the average home. World leading German inverter technology.

**SolarEdge:** Ideal for homes with complex or shaded roofs. Optimiser technology to maximise generation.

**Fronius:** Larger homes or small business. 3-Phase solar hybrid inverter technology.

### Premium 2-6kW Powerwall Packages

			
Inverter Technology			
Solar Panel Input (DC)	2 - 6kW	2 - 6kW	3 - 6kW
Solar Inverter AC Output (kW)	2.5 / 3 / 4 / 5kW	2 / 3 / 3.5 / 4 / 6kW	3 / 4 / 5kW
DC Charge / Discharge Capacity	3.3kW	3.3kW	3.3kW
Useable Energy Storage @ 100% DoD	6.4 kWh	6.4 or 12.8kWh	6.4kWh
Round Trip Efficiency (Battery)	92.50%		
Battery warranty	Up to 10 Years*		
Electricity Supply	Single Phase	Single Phase	Three Phase
Monitoring Solution	Free online / Wi-Fi / Ethernet		
Installation Location	Indoors / Outdoors		
Warranty (Panels/Inverter/Powerwall)	10 / 5 / 10* Years	10 / 12** / 10* Years	10 / 5 / 10* Years

\* Tesla Energy Powerwall warranty is 10 Years for registered systems and 4 Years for unregistered systems.

\*\* SolarEdge Inverter warranty is 12 Years and 25 Years for the SolarEdge Optimiser.
