

Whole House Fan

Comfort throughout your whole home for every season

- Cools your home efficiently in minutes during hot summer months
- Improves air quality removing odours all year round
- Extracts stale air in winter months
- Creates a healthier home
- Helps reduce air conditioning costs

Refresh your home this summer.

Do you want your home to have continuous fresh air recirculating around the whole house this summer? Look no further.

Solatube Whole House fan pulls cool, fresh outdoor air into living spaces through the windows, and pushes hot stale indoor air through your roof cavity and out the vents. It doesn't recirculate air (as with air-conditioning) it provides natural fresh air throughout the home.
